BOOMING!

TWENTY-FIRST YEAR, NUMBER 39,

SALT LAKE CITY, UTAH: SATURDAY, JULY 19, 1890.

A BOLD FORGERY IN TACOMA.

An Attempt to Steal Some Valuable Lands by Means of a Forged Deed -Interesting Disclosures Anticipated.

DESVER, Colo., July 18.- [Special telegram to THE HERALD. |-Stella Gerolamy. age twenty-three, beautiful and accomplished, is the latest recruit in Denver's dens of vice to attract attention. Loved, to day secured Justice O'Brien's signature betrayed, deserted, tells the story of her betrayed, deserted, tells the story of her downfall, and she clings to the path she has trai Trust company, C. P. Huntington and ordered Monday after the reading of the chosen regardless of the efforts of her mother and brothers to reciaim her. Her parents resided in Chicago many years, and Stella is a Vassar graduate, supplementing this by study in Europe. A Chicago lover in whom she trusted had her at his mercy for two years and then deserted her. Realizing her situation, she boidly entered a wanton life in that city, but relatives hunted her up and she came here. chosen regardless of the efforts of her others, restraining them from issuing the journal, and that the House shall consider wanton life in that city, but relatives hunted ber up and she came here. Alone, she made an effort to live a blameless life, but accidentally she secur d a place of bad repute and sur rendered her good resolutions. Her mother came from the east and her brothers from Grand Junction and have labored to have her declared insane without avail. One her deciared insane without avail. One man here learning her history took her to his house in the hope of reforming her, but she slipped away and renewed her evil life in a Market street den. At present ing to advices from Rustehum, an uprising she is with Police Matron Likens and is imminent in Bulgaria, and bands led by Chiefs Farley and Loar who are laboring the Russians will endeavor to induce her to abandon her evil ways, gain an entry into the country. while a Market street bagnio mourns the loss of its star boarder who proved a strong drawing card.

A Tecoma Forgery Case.

Thomas, Wash .- Special telegram to The Meria D. O. T. McClausiand was arrested here to day on a charge of forgery of a deed to property valued at \$155,000. The arrest was at the instance of the Des The arrest was at the instance of the Des Moines Land company. The property is between Tecoma and Seattle. The town site was originally owned by one John Moore, who, it was alleged, was insane,

Jewish Punishment for Furning Christian. Special to THE HERALD-Examiner Cable.] Loxpox, July 17 .- Dr. Morris de Jouge comes out with a statement that he was imprisoned in the Schoenberg insane asy-ium for six months, by his family, because he intended to become a Christian and publish a pampilet against the Jews on the bourse. Upon promising to remain a Jew, he was relicesed.

Confirmations. WASHINGTON, July 18 - Confirmations: James Russell Soley, of Massachusetts, aston, of Minnesota, and Oliver L. Spaulding, ties on sugar imposed under the laws now in ferce, be re imposed, as against any nation or country failing to enter into adopute reciprocal relations with the United States regarding the agricultural products of this country. And the President is discountry. And the President is discountry and the president is discountry.

STEWART AND REAGAN TILT

In the Senate Over the Irrigation Survey Appropriation, Which Was Finally Stricken Out.

WASHINGTON, July 18.—The committee on rules reported a resolution providing that the House shall immediately proceed to the consideration of the "original package" bill, the previous question to be considered

journal, and that the House shall consider the bankruptcy bill, the previous question to be considered order Wednesday, after the reading of the journal.

Breckinridge, of Kentucky, raised the question of consideration. The House de-cided, yeas, 115; nays, 55, to consider the resolution. One bundred and twenty-four members were announced as paired.

The resolution was modified so as to pro-vide that approved appropriation bills shall

One years. July 18.—[Special telegram to The Human.]—A terrific thunder storm at consternation in town to hight. In the suburbs John Gregory, who was bringing in a herd of sheep, was killed by lightning. He was a middle aged Englishman. Mrs. F. L. Calver, wife of a stock man, was knocked down by a belt which struck her residence and is haif Mrs Harrison's Narrow Escape.

Care May, July 18.—Mrs. Harrison and Mrs. McKee narrowly escaped serious injury when out driving last night on Washington avenue. A boy, driving a dogorart in the opposite direction last content of the replace of the country appealed to Congress for action.

Pending further debate, the House took arrows in the opposite direction last content of the replace of the country appealed to Congress for action.

Pending further debate, the House took arrows the evening segion to be found to see the replace of the country appealed to Congress for action.

In the Senate-

WASHINGTON, July 18.-After unit portant business consideration of the sundry civil appropriation bill was re-sumed, the pending question being on the amendment repealing the irrigation pro-vision in the like bill of October, 1888, exvision in the like bill of October, 1888, excepting that reservoir and canal sites heretofore located or selected shall remain
segregated and reserved from entry or settlement. Regan continued his argument
begun yesterday against the amendment
and in favor of the irrigation scheme initiated by the act of 1888.

Reagan warmly defended Major Powell;
he could not be used by speculators in public lands, and for that war had been made
upon him.

pon him. Stewart Does the Senator from Texas ascribe that motive to me?

Reagan—I have not said a word about the Senator from Nevada, nor have I had him in my mind. I was referring to the general subject and to the fact that during the early part of this Congress representatives of syndicates and composition. of syndicates and corporations were here orging a repeal of the law and threatening to bring their power to bear on members of

Congress.

Stewart—Will the Senator name some agent of some corporation?

Rearan—I have no doubt the Senator from Noyada knows as many of them as I do. I have no disposition to engage in parsonalities, either with agents or claimants or Senators.

Stewart—No representative of any syndicate or of any portion interest in land has dicate or of any portion interest in land has

Stewart—No representative of any syndicate or of any portion interest in land has mentioned the subject to me this session. The only thing that has indicanced me has been my own observation and protests that have come from people against having the public land withdrawn from the market.

Reagan—These land sharks may have thought me weak, less sure, less devoted to the public interest than the Senator from Nevada, and may therefore have approached me when they did not deem they dared to approach him. When we talk of public sentiments we ought to have the sentiment of cultivators of the soil and not of land speculators who combine their in of land speculators who combine their in-fluence, activity and wealth to make mem-bers of Congress believe their own inter-ests and their own follies are those of the

Allen said that within the country desig nated as the arid region there was a population of between two and three millions. These great communities had the guarantees of the laws which had existed up to tees of the laws which had existed up to this time, but suddenly and without a note of warning, stwo fifths of the area of the United States had been reserved from settlement. In order to consummate that policy, state lines and territorial lines would have to be obliterated and vested rights absolutely ignored. He carnestly protested against such learly to the carnestly protested against such learly to. protested against such legislation.

Allison said he desired to put himself on

Allison said he desired to put himself on record against any appropriation being made in the direction of continuing the irrigation survey. He was firmly convinced that an immediate stop should be put to that survey. The result of its continuance will be to involve the government in enormous expenditures and entanglement. After further discussion by Plumb, Cockrell, Teller and Stowart the amendment was agreed to. 17 The items of \$120,000 for the irrigation survey, \$50,000 for engraving mans agreed of The Riems of \$120,000 for the irrigation survey, \$50,000 for engraving maps and \$7,506 for office rent in Washington were stricken out and the bill laid aside, Allison giving notice he would ask the Senate to remain in session tomorrow until it completed the conference ordered fon the land forfeiture bill. Adjourned.

case of cholera in this city yesterday. The victim was Mrs. A. R. Bishop, wife of a well known citizen. She died within twenty-four hours. Two prominent physicians pronounced the case undoubtedly Asiat'c cholera.

The Bliss Cottage Robbed. Saratoga, N. Y., July 18.—About noon neak thieves entered the Bilss cottage here and got away with \$10,000 worth of dia-mones and jeweiry. The cottage is occu-pled by Morton, Vice-President of the United States, and his partner Bliss and their wives. A reward of \$10,00 is offered for the recovery of the jeweiry.

The supervisor of streets reported an expenditure of \$574 65 on the streets during the dast two weeks.

Then Councillor Corey offered a resolution that the sum of \$50,000 be appropriated for building a hospital, engine house and city jail and that bonds be issued for that amount. Referred to the committee on public buildings, with instructions to report at the next meeting of the council.

An ordinance regulating public grounds was read. It provides for the protection of public parks. The ordinance was adopted on its first reading.

The plat of Colorado place addition was presented and accepted.

respired and accepted.

The Ogden Natural Gas and Oil company asked for power and authority to lay pipes pipes and mains in all the streets and alleys of the city. Referred to the committee

telegraph building caught fire at 7 o'clock this morains. The distributing room on the fifth floor, operating room on the fifth above, the Associated Press rooms and the restaurant on the ninth floor were completely destroyed. Seven lives were minimal raculously saved. A few minutes before 7 o'clock the operators began to arrive to go to work. About fifty men and young women had reached the operating room, when a messenger boy saw a puff of smoke under a table in the distributing room on the floor below the operating room.

As soon as smoke was noticed Night associated flire," and in a more completely cut off from all telegraphic connections. The Cotton office and the Produce exchanges depend on the Western Union company to distribute their quotations over the tickers. This caused a complete suspension of the ticker service, and brought business almost to a standstill in the exchanges in addition, all the outside cities were cut off and the public grain and cotton cables were also lost through the cutting off of the wires. The suspension of the grain and cotton cables were also lost through the cutting off of the wires. The suspension of the grain and cotton cables were also lost through the cutting off of the wires. The suspension of the grain and cotton cables were also lost through the cutting off of the wires. The suspension of the grain and cotton cables were also lost through the controversy was provoked by dispatches sent by Moore reflecting upon Crain, though the latter claims that the correspondent has been pursuing him for ten years. public building at San Jose, Cal., have pletely destroyed. Seven lives were mito \$60,060. A special agent of the department will be sent to examine the different lots offered.

rap door was pushed off and the prisoners

The flames were shooting out of the front windows and volumes of smoke puffed heaven ward. When the great crowds on front windows and volumes of smoke pulled heavenward. When the great crowds on the streets saw the men and women rush out on the roof, a cry of horror went up, for it did not seem possible they could be recovered. The women screamed and wrung their hands, and the men yeiled, "For God's sake do something to save us." A long ladder was placed against the rear of the burning building. It did not reach within fifty foot of the sake with the same placed against the reach within fifty foot of the sake within the sake the burning building. It did not reach within fifty feet of the roof, but undaunted, however, two firemen scaled the ladder and threw a rope up. It was caught and tied by one of the brave girls. The firemen pulled themselves up hand over hand until they reached the top, and, amid the cheers from the thousands below they let the the thousands below, they let the seven down to places of safety. It was accom-plished just in time, for the flames imme-diately burst up through the cornice and soon enveloped the roof. The tower of the soon enveloped and row. The flames.

The entire upper part of the building was gutted and every instrument and wire rendered useless. How the fire originated rendered useless. How the fire originated no one seems to know positively, but it is surmised that two electric light wires became crossed, first setting the floor on fire. Had the fire broken out an hour earlier the loss of life might have been enormous. Full seven hundred girls and men are employed on these two floors.

The offices of the Associated Press suffered rather more than any of the chees in

The offices of the Associated Press' suffered rather more than any of the others in the great building. The ruined operating room rendered every Western Union where on Manhattan island useless, so the Associated Press opened headquarters in Jersey City. Every facility is being afforded them by the officials of the Pennsylvania railroad company, and before the fire was under control the various circuits of the Associated Press were in active operation. No exact tigures can yet be given in regard to the loss, but it will be heavy.

The building of the Western Union had been for many years one of the great and

been for many years one of the great and imposing land marks of lower Broadway. The building is filled with offices on the five lower floors which are occupied by some of the greatest railroad magnates in the world. The wast system of the Pacific railroids is constructed throad magnates. refreshment stands of that day. Raferred to the committee on public grounds.

John W. Eastman asked to be appointed to a position on the police force. Referred to the police commissioner.

An ordinance levying a tax for paying the expense of the construction and opening of Thirtieth street east from Washing.

In ordinance levying a tax for paying Gorld, Sydney Dillon, Dr. Norvin Green and others, who are familiar through the length and breadth of the land.

All neave the sixth floor was destroyed, and neave the sixth floor was destroyed.

was read. It levies a tax on estate affected, of \$10,214. On ordinance was adopted on a rote, et telegraph company was percet a line of poles from Wall ag Twenty-fourth street to avenue, visor of streets reported an exthe Western Union files. The associated Press losses instruments, typewriters, fur-niture and all its books, papers and records, dating from 1845, and a valuable reference library. The loss is irreparable. All of the material for the history of the growth the material for the history of the growth of the press in America was contained in letter books and files destroyed and can never be replaced. The money value is estimated at \$15,000; no insurance. How William Henry Smith, general manager, is personally a heavy loser by the destruction of rare books and papers, many of which cannot be duplicated. Among them were one hundred rare pamphiots collected in Europe which Smith supposed secure in his fire proof building. Extensive correspondence of great value was also consumed.

Archison, Ks., July 18.—There was a maked for power and authority to lay pipes and patient authority to lay pipes sumed. A survey made of the upper portions pipes and mains in all the streets and allowed the conference ordered fon the land forfeiture bill. Adjourned.

Montgomery, Afa. July 18.—An Advertiser special from Tuscumbia says: John A. Steele, jr., Major Tom Steele, John Goodwin and W. P. Challen engaged in a sincoting affray to-day. The former was City combined. The water no where is

Paris, July 18.—The fattest girl in Paris, by name Victoria Fantin, died Sunday and was buried yesterday with great ceremony. She was only nineteen years of age and weighed 470 pounds. Her limbs were enormous. She was engaged at the Eden theatre, but her size was such that she made very few appearances. It required seven strong men to assist her from her house to the stage.

Hungarian Customs Officer Fired on. PESTH, July 18.—Intelligence has beceived here that a Hungarian cust guard was fired upon by persons on
